Riverview Holiday Park is a beautifully maintained family owned park and is the perfect location for your holiday retreat. The park is set in a tranquil environment for the over 50s close to the friendly village of Newcastleton.

The village has a host of local cafes, shops, hotels and a range of activities to suit all age ranges. It is also in a perfect location within a short travelling distance of Kielder Water, Gretna Green, Carlisle and many more historical places.

We have a number of luxurious holiday lodges for sale and are open for viewings over the Bank Holiday Weekend. We also have some lodges available for holiday rentals.

Why not pop along to the park and meet our friendly team who will be pleased to show you round some of these fantastic properties.
